Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Monday 23 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear or warm sunny spells, northern and western coasts cloudier.

This Evening and Tonight:
Low cloud and mist across Shetland and the northeast developing more widely across northern and western coastal parts and edging inland. Otherwise a dry night with some long clear spells and, with light winds, a risk of patchy fog.

Tuesday:
Mainly dry with some warm or very warm sunshine developing by afternoon. Some mist and low cloud persisting around coasts, particularly across northern and western coastal areas.

Outlook for Wednesday to Friday:
Remaining warm on Wednesday but low cloud around coasts sometimes spreading inland. Fresher, clearer conditions will slowly spread west on Thursday and Friday with more dry and bright conditions.
